

Looking for foreign workers?

Do you have a staff shortage for the upcoming tourist season? Whether you need personnel for the tourism sector, production, construction, or technical jobs, together with our partner in Lima we will help you find workers from Peru.

[Request](#)

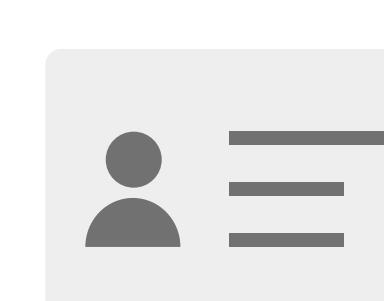

Procedure

All you need to do is to fill in the form for the required worker profile, and we will do the recruitment. After we send you the CVs of the shortlisted candidates, there is a possibility of a video call interview. Upon final selection, the collection of documentation for a work permit will be started.

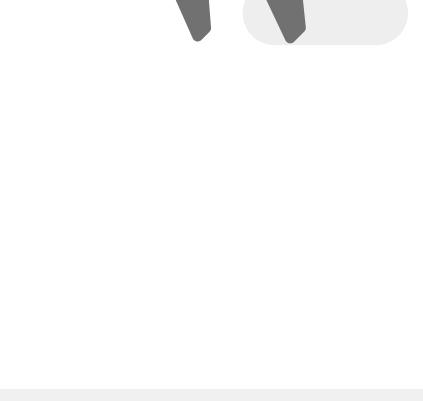

1. Request for the desired profile

Occupation, job description, number of candidates, work experience, education and job-specific skills.

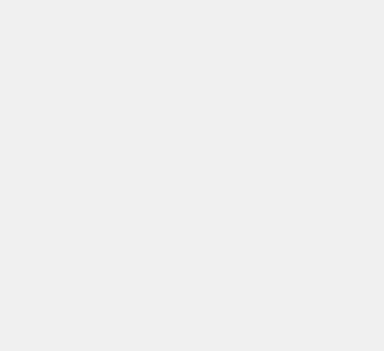

2. Selection of candidates

We select candidates for the required profile and deliver selected CVs to the client. Clients have the option of video interviews with shortlisted candidates.

3. Work permits

We collect the documentation from candidates that is required for obtaining a work permit. Visas are not required for citizens of Peru.

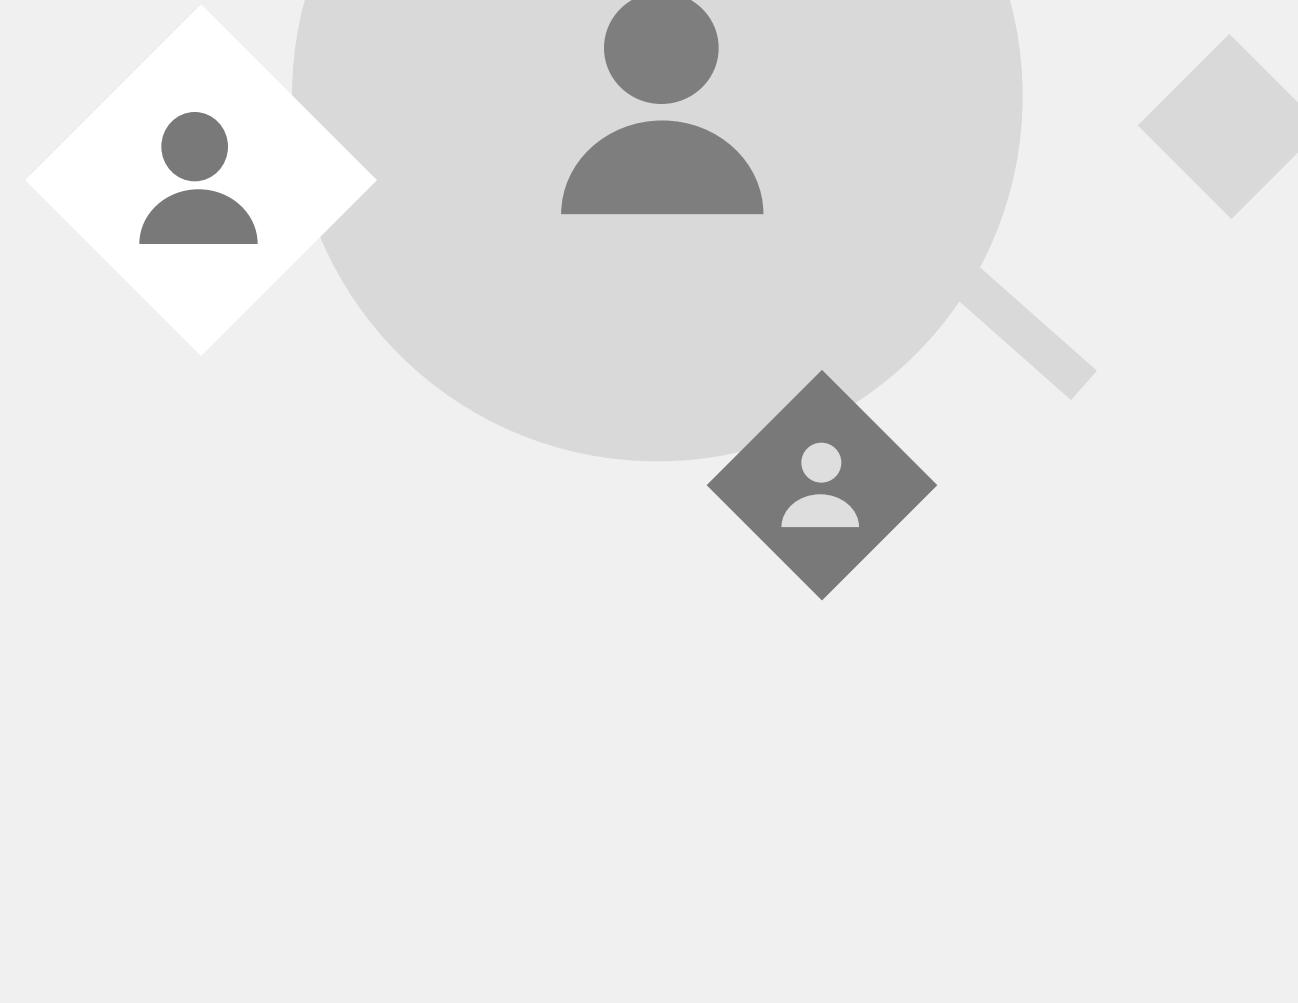

4. Arrival of candidates

We provide support with the candidate's travel arrangements.

Send request

To receive a project estimate, fill out the form and we'll get in touch with you.

Company

Talent pool d.o.o. company founded in 2022, provides mediation services in the employment of foreign workers from Peru. We cooperate directly with the company Certicom s.a.c. based in Lima, which does recruitment for us and has a large talent pool in various sectors.

Quality

A large portion of our candidates are highly educated young people between the ages of 21 and 35, with the majority of them actively using English. There is also the possibility of selecting candidates who speak other foreign languages such as German, Italian, or even Croatian. Our services are already being used by renowned hotel chains in the Istria region, despite the fact that the business is only recently founded. We mediate in the employment of foreign workers in the tourism sector, but also in construction, production and technical professions.

Tražiš stranog radnika?

Nedostaju ti radnici za nadolazeću turističku sezonu? Bilo da se radi o sektoru turizma, graditeljstva, proizvodnje ili tehničkim zanimanjima, zajedno s našim partnerom u Limi pomoći ćemo ti s pronaalaženjem radnika iz Perua.

Zahtjev

Postupak

Sve što trebaš je popuniti zahtjev za traženim profilom radnika, a mi ćemo odraditi regrutaciju i poslati ti životopise kandidata iz užeg izbora. Nakon toga postoji mogućnost intervjuja putem video poziva te po konačnom odabiru slijedi priprema dokumentacije za radnu dozvolu.

1. Zahtjev za traženim profilom

Zanimanje, opis posla, broj kandidata, radno iskustvo, obrazovanje i vještine za obavljanje posla.

2. Odabir kandidata

Vršimo selekciju kandidata za traženi profil te klijentu dostavljamo odabrane CV-e.

Klijenti imaju mogućnost video intervjua sa kandidatima iz užeg izbora.

3. Radne dozvole

Prikupljamo dokumentaciju od kandidata potrebnu za ishodjenje radne dozvole. Za državljane Perua vize nisu potrebne.

4. Dolazak kandidata

Pružamo podršku pri organizaciji putovanja kandidata.
